# In Pursuit of Excellence

## Aligned with the National Curriculum Framework 2023 and National Education Policy 2020

- The books, in any subject, follow the latest curriculum and syllabus prescribed by the N.C.E.R.T. and other Boards of Education in India.
- Each and every book is authored, designed and edited by well-known scholars or scientist in his respective field of specialization.
- The entire study material of the book is planned, graded and balanced according to the needs and level of the students.
- Each book is profusely illustrated in live colours and designs.
- The study material is presented in an easy to grasp the language, aimed at motivating the learners for self-searching and self-learning.
